

Scanned Paper Fixture

Phase D / Wave 6 OCR escalation test.

This PDF has no embedded text layer.

Every glyph above this line is rendered as image pixels.

Section 1 ¶ Introduction

Lorem ipsum dolor sit amet, consectetur adipiscing elit. The PdfDigitalExtractor should detect the empty text layer and escalate to the active VLM backend.

Section 2 ¶ Expected Behaviour

qwen2.5vl:7b transcribes this fixture to non-empty Markdown via /api/generate.

End of scanned-paper fixture.
